

## Price list for services of the branch of "National Center for Biotechnology" LLP in Almaty

№	Name of the service	Unit of measurement	Name of laboratory / premises	Price with VAT, тенге (does not include overhead costs)
1	Conducting scientific research according to the customer's technical specifications in the field of: - genetics, sequencing and genotyping of infectious agents in humans, animals and plants; - epidemiology; - immunology and immunobiotechnology.	service	Branch in Almaty	Price is negotiable*  (* the cost of services is calculated in each specific case depending on the type and complexity of the research, the number of samples, experimental groups, time labor costs, the quantity and cost of necessary reagents, timing and workload of personnel during a given period)
2	Development of diagnostic tools, standards and control samples	service	Branch in Almaty	
3	Conducting reference studies	service	Branch in Almaty	
4	Conducting validation tests and external assessment of the quality of diagnostic tools	service	Branch in Almaty	
5	Determination of antitumor activity of a drug/compound <i>in vivo</i>	service	Branch in Almaty	
6	Determination of the immunomodulatory properties of the drug/compound on the activity of human immune cells <i>in vitro</i> (T-, B-lymphocytes, NK-cells, monocytes, neutrophils)	service	Branch in Almaty	
7	Immunogram, including expression levels of surface and intracellular markers, human and animal cells for scientific purposes	service	Branch in Almaty	
8	Cell culture services	service	Branch in Almaty	
9	Services for the preparation of mouse models for further experimental work	service	Branch in Almaty	
10	Diagnostic studies based on PCR and RT-PCR (human genetics, identification of infectious pathogens of human, animal and plant diseases)	service	Branch in Almaty	
11	Training in laboratory skills at BSL-2 levels (price per person, groups of 6-10 people, 60 hours/10 days, price includes consumables and personal protective equipment, theory and practical exercises, pre-test and post-test for mastering the material)	service	Branch in Almaty	180 000,00
12	Training in laboratory skills at BSL-3 levels (price per person, groups of 6-8 people, 120 hours/20 days, price includes consumables and personal protective equipment, theory and practical exercises, exam)	service	Branch in Almaty	320 000,00
13	Training of specialists (officers) in biological safety and biosecurity (price per 1 person, groups of 6-8 people, 216 hours/36 days, price includes consumables and personal protective equipment, theory and practical training, exam)	service	Branch in Almaty	580 000,00

## Price list for services of the branch of "National Center for Biotechnology" LLP in Almaty

№	Name of the service	Unit of measurement	Name of laboratory / premises	Price with VAT, тенге (does not include overhead costs)
14	Basic (introductory) training course in the principles of biosafety in accordance with international standards (ISO 35001) (price per 1 person, groups of 6-10 people, 30 hours/5 days, price includes consumables and personal protective equipment, theory and practical training, pre-test and post-test for mastering the material)	service	Branch in Almaty	80 000,00
15	Services for external assessment of an organization's compliance with biosafety requirements in accordance with ISO 35001 and provision of advisory assistance	service	Branch in Almaty	Стоимость рассчитывается индивидуально
16	Proliferation/cytotoxicity test using CFSE intravital dye (up to 20 samples)	service	Branch in Almaty	750 000,00
17	Proliferation/cytotoxicity test using CCK test (up to 20 samples)	service	Branch in Almaty	760 000,00
18	Proliferation/cytotoxicity test using MTT assay (up to 20 samples)	service	Branch in Almaty	560 000,00
19	Determination of the antitumor and cytotoxic activity of the drug/compound on tumor cell lines of humans and mice <i>in vitro</i> (up to 20 samples)	service	Branch in Almaty	700 000,00
20	Analysis of antioxidant properties (based on the level of ROS production) of the drug/compound <i>in vitro</i> (up to 20 samples)	service	Branch in Almaty	850 000,00
21	Enzyme immunoassay (1 sample, excluding test kit cost)	service	Branch in Almaty	5 000,00
